

# SETUP WI-FI FOR YOUR MAC

**STEP 1:** Click on the Wi-Fi symbol to open the Wi-Fi Menu as shown on the screenshot.

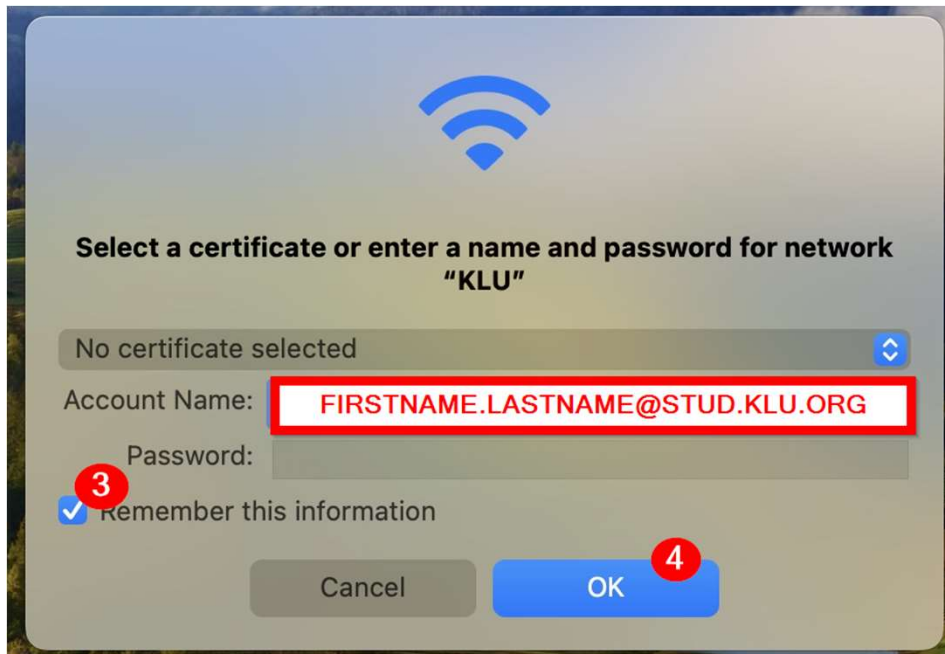

## SETUP WI-FI FOR YOUR MAC

**STEP 2:** Select and confirm the network „KLU“ by clicking on it.

**Note:** Make sure to turn on Wi-Fi before connecting to any Wi-Fi network/hotspot.

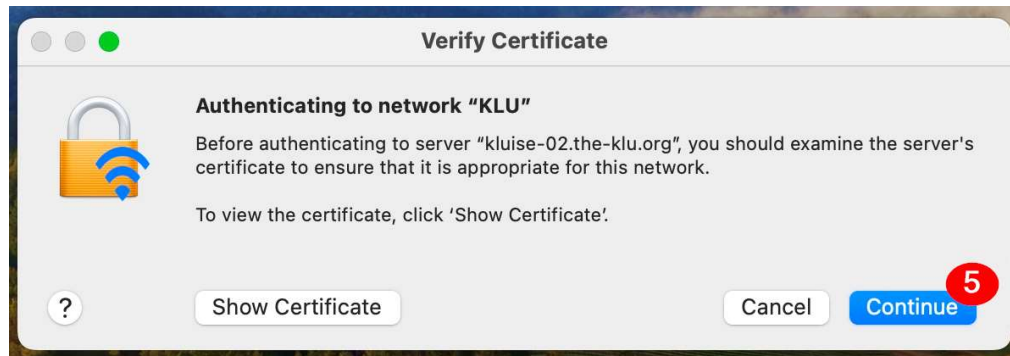

## SETUP WI-FI FOR YOUR MAC

**STEP 3 and 4:** Enter your Account Name and Password. Tick the checkbox to remember the information and proceed with a click on „OK“.

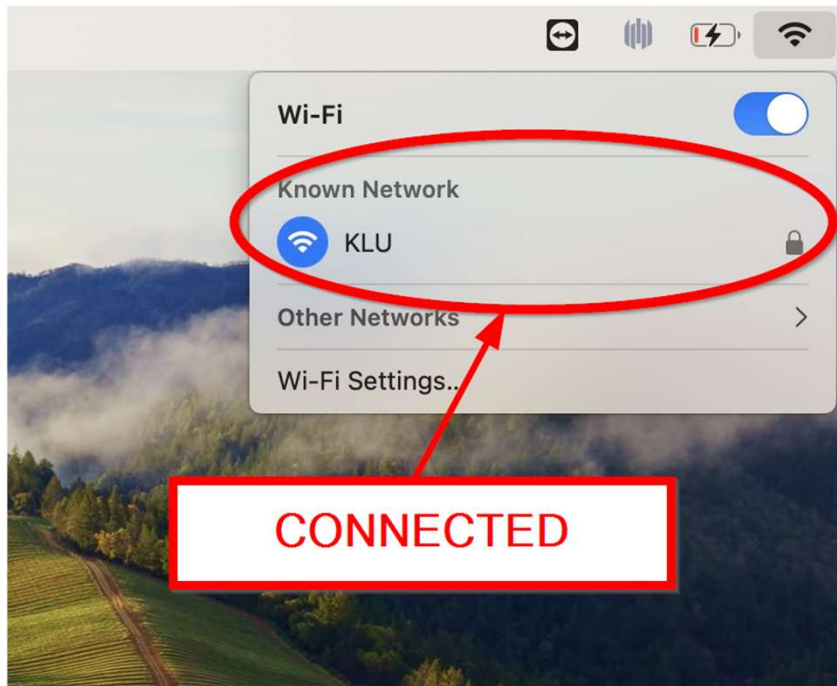

**Note:** „No certificate selected“ is correct.

## SETUP WI-FI FOR YOUR MAC

**STEP 5:** Accept the certificate to connect with the „KLU“ network. Click on „Continue“.

## SETUP WI-FI FOR YOUR MAC

**STEP 6:** You are now connected with the „KLU“ network.

**Note:** If you are connected to the network but still have no internet access please contact us via [servicedesk@klu.org](mailto:servicedesk@klu.org)
