Username: Your KLU Mail address
Password: The password you are already using

From now on you can change your Password here: <https://ads.the-klu.org/ads/portal/updatepassword>

But be careful. If you change your password, you also change the password for your WIFI and VPN at the KLU!

In the new Office 365 you have the option to download Microsoft Office and to use a lot of online-apps like calendar, contacts, task planner or office online.

Overview over your credentials to log in to Office365 and VPN/EDUROAM:
